

EzyTap 7800 / 7800T

INSTANT BOILING AND CHILLED FILTERED WATER FROM ONE TAP

- Elegant tap system with touch control to dispense hot and chilled water at the touch of a button
- Looks fantastic in any environment
- Purifies water, removes chlorine odour and taste
- Available in two different heights: the EzyTap 7800 has a dispensing height of 18.5cm and the EzyTap 7800T dispensing height at 24cm is 5.5cm taller
- 4-litre hot tank with an hourly output of up to 14 litres per hour above 90°C
- Instant draw-off 3 litres above 90°C
- Undersink chiller provides up to 11.5 litres of chilled water below 10°C/hr
- Fan-assisted cooling
- Simple cleaning and descaling: Tank can be removed, opened and cleaned
- Choice of limescale filtration systems for installation in hardwater areas
- Automatic safety thermal cut-out to prevent boil dry and damage to the unit
